

## **Minutes VETNET assembly 2018**

**ECER in Bolzano Thursday, 06 September 2018, 12:00 – 13:20**

As there were no elections this year, we used the time to inform the participants about the activities of VETNET (IJRVET, proceedings, Vocational Skills Week etc.) and the revision of the regulations. There was a laudation for the new honorary member of EERA, Johanna Lasonen.

Several proposals were made to strengthen the links of VETNET to activities of other networks and conferences.

The assembly was very well attended with 72 participants present.

The following slides were presented and discussed.
