NW 4 THANKS ILEKTRA SPANDAGOU FOR BEING LEAD EDITOR

European Journal of Inclusive Education

The *European Journal of Inclusive Education* is the official journal of the Inclusive Education Network, founded in 1996 and **affiliated to the EERA**.

The journal provides an **open-access** forum for the exploration of issues associated with inclusive education across the age-range, with an international and multi-disciplinary focus.

Each issue includes **research** reports, **theoretical** contributions and **methodological** discussions. We welcome creative and imaginative ways to explore issues of inclusion.

All research articles in this journal undergo rigorous **peer review**, based on initial editor screening and anonymized refereeing by at least two anonymous referees.

Publishing in EJIE requires no article processing charges or other publication fees (e.g. article submission charges). Publishing is **free of costs**.
