

## Network 4

Network Meeting 2024 @ August 28, 2024 / University of Cyprus, Nicosia

1. Changes in the convenor team:

The convenor team thanks Gregor Ross Maxwell Dørum for his support throughout the past years.

We welcome Mega Wanti and Jude Tah as support for our team.

2. Submissions:

159 submissions were presented at this year's conference.

Thank you to all our reviewers, chairs and presenters.

3. Reflection on ECER 2024:

The network would like to express their heartfelt condolences to Monica Rosén's family and colleagues. Monica suddenly fell ill during the conference and despite immediate and excellent medical attention passed away.

We collected feedback via a padlet from attendees (thank you to so many of you for attending and your nice feedback) and welcome any further feedback any time: [michelle.proyer@uni.lu](mailto:michelle.proyer@uni.lu). Also let us know whether you want to join our network of reviewers!

Thank you to Emerging Researchers for inviting us to give a workshop on „Research Ethics“. This was definitely one of our highlights.

4. Documenting Network 4's history:

We secured EERA funding to document our network's history. Stay tuned for an invitation to submit your personal video message that will be shared via our newsletter. We collaborate with Purple Stars (<https://purplestars.org.uk>) to produce a clip full of you <3

Stay tuned!
