Minutes

Network Meeting 06

24.8.2023, 12:15

21 People present

Moderation: Klaus Rummler / Minutes: Valentin Dander

TOP

Klaus Rummler as link convenor welcomes all present, introduces network and the organizational context.

<u>EERA & Network activities</u>

EERA News

ECER2023: Glasgow is the biggest ECER ever

ECER2024 in Nicosia (Greek side)

Theme: Education in an Age of Uncertainty: memory and hope for the future

ERC: 26-27 Aug; ECER: 27-30 Aug

Networks' representatives on Council (starting 25 Aug): Fabio Dovigo (NW04 Inclusive Eduation, Northumbria Uni, UK)

New EERA president: Marit Honerod Hoveid, Norwegian Univ. of Science and Tech.

Network News

Seminar.net special issue, initiated in our network, cited in UNESCO report ("Global Education Monitoring Report 2023: Technology in education").

Various DOAJs in the or linked to the network are mentioned to be considered for publication activities (seminar.net, Education in the North, MedienPädagogik etc.).

Joint Sessions & Activities

Link to NW12 Open Research, common grounds with NW Sociology of Education (???)

Proceedings for Emerging Researching Group/Conference (ERG/C), esp. for ERG, peer reviewed

Abstracts to ECERs are online, but not indexed by Google etc. – links to ORCID etc. are work in progress

Feedback to EERA/ECER Experience

- Do more on travelling with children
- Whova is useful, but it's not
    - Along with it 10-15 trackers are installed ("malicious software")
- More time for network meeting
- Map on backside of name tag (instead of prog. overview)

Call to action

- Be chairs for ERC (in 2023: >500 ppl involved)

- Tell people (& ERC) about structure of EERA/ECER

Additional remarks

- With respect to climate crisis: top criterium for places should be that is has to be accessible with public transport in various ways; it should not be somewhere you can not go by train/bus (it has already been discussed if we should move to one dedicated space)
- Alternating online (more accessible to more people)/in presence; rather not hybrid/blended/double; but: online ECER is no ECER…? Just have ECER all 2 yrs?

Affiliated members & prog. committee
