

**NW. 10 Teacher Education Research  
Network Minutes  
ECER 2022, Yerevan and ECER Plus  
August 2022, Yerevan**

Our network meeting took place this year as a hybrid. A total of 10 people were online and 8 people were on site. Everyone introduced themselves, their research interests and contributed topics and ideas for the further development of the network.

In particular, topics were proposed for special calls for publications and workshops for 2023 and how the participants want to engage themselves in the network in the near future.
