NEXT LINK-CONVENOR ??

Sept. 2026 - Apr. 2027

“Shadowing”

May 2027 –

New Link-Convenor in action

If you want to postulate as candidate to be the next Link Convenor, please, send an email with a **letter of motivation and NW29 plan** for the following 4 years to the current Link Convenor: **Judit Onsès-Segarra**

Convenors will consider all submissions and will answer in a short time.

HOW TO BE ENGAGED WITH THE NW29?

1. Subscribe to the Mailing List

If you want to be part of the NW29, please, send a blank message to this email address:

nw29-subscribe@lists.eera-ecer.de

The mailing list is the **main channel of communication** between Link Convenor (Judit) and members of the network.

Through this channel, we inform members of the network about the activities, news, proposals, etc. to carry out during the year within NW29 and also within members of the network institutions or organizations.

HOW TO BE ENGAGED WITH THE NW29?

2. Propose ...

Seminars / Workshops / Talks / Projects ...

If you or your institution / organization / research group want to organize any activity (online or face to face), you are very welcome to do it in the umbrella of the NW29 and share your research, advances in research, project or thoughts in progress with the NW29 members

You just need to write Link Convenor (Judit - jonses.edu@gmail. com) and we will look for ways to carry out

FEELINGS ABOUT ECER 2026

- Some highlights to stress?
 - The quality of the research presented
 - The organisation of a social dinner with NW29 presenters
- Some ideas for improvement or to bring to ECER in the future?
 - More versatile and bigger rooms (specially for the workshops)
 - At least one NW29 convenor should be present in each session
 - Avoid parallel sessions
 - The chair be external researcher, not presenter in that session

CONTACT PERSON

Please, for any comment,
suggestion, question
regarding the NW29 or ECER,
