

Minutes of NW 29 Virtual Seminar Meeting

2 September 2022

12:30h - 13:35h CET [Central European Time]

1. Wellcome and presentation

- Link Convenor and co-convenors presented themselves: [Judit Onsès](#), [Tobias Frenssen](#) and [Fernando Hernández](#). We excuse the convenors that this year are not able to attend ECER: Mira Kaillo-Tavin, Catarina Martins and Fiona King.
- Each attendant presents him/herself ([12 attendants in total](#))

2. Current NW29 proposals

I. **Season School** in Finland (Aalto University) (2022-2023)

Due to Covid time we could not organize it before → Face to face season school in 2021, but it was canceled due to low participation

It is expected to organize it during Spring 2023. More details will be sent soon.

II. **ECER 2022 Proceedings e-book**

After the good feedback of the previous two Proceedings e-books, we encourage ECER 2022 authors to send their submissions for the [ECER 2022 Proceedings e-book](#). It is expected to be launched at the beginning of 2023. It is a digital open source publication.

More details about format and deadlines will be sent soon.

You can take a look and download the two previous editions to the following links:

- [Educational Research \(Re\)connecting Communities](#) (Proceedings of ECER 2020 NW 29. Research on Arts Education)
- [Education and Society: Expectations, Prescriptions, Reconciliations](#) (Proceedings of ECER 2022 NW 29. Research on Arts Education)
[210 views / 262 downloads](#)

You can find both links in the NW29 webpage, in the network activities, section of publications: <https://eera-ecer.de/networks/29-research-on-arts-education/network-activities/>

We encourage you to share these publications with all those scholars and researchers you consider.

III. **Special Call / Topic** for a monograph sessions in ECER 2023

- With the attendees we agree to propose two Special Calls for ECER 2023:
 - Transdisciplinary among arts: sharing projects in which artistic disciplines are entangled
 - Arts and democracy: how artistic research and arts based research can help to shape and rethink conceptions of democracy

IV. **Connect 7th ABR conference to NW29**

At the beginning of 2023 it is planned to organize the 7th Conference on Arts-Based and Artistic Research in Spain. It is an opportunity to join communities interested in arts and research such as ECER-NW29.

In this sense, ECER could be a collaborator in some way.

3. Engaging **NW29 community**

- You can **subscribe to the NW29-EERA Mailing list** community. It is a mailing list through which NW29 convenors inform about ECER news and activities, as well as subscribers can share their proposals.
- Create a **Facebook page** or similar
- There is a proposal to **organize online seminars / talks / workshops** about specific topics

- We can also invite authors, researchers, artists, etc. out of NW29
- At least, 3 seminars per year
- There is the possibility to organize it in-person or online
- Proposals:
 - Picture of art education and art education research in each European country
 - How to cope of the tensions and institutional and governmental limitations
 - Replicate the workshops presented during NW29 ECER 2022
